About Us

A creative production company for brands and stories that deserve care.

Marshmallow Production works across film, photography, events, weddings, and advertising. We partner with brands and storytellers to turn ideas into work that feels considered, crafted, and built to last from the first conversation to the final delivery.

Vision

We are the GCC's leading premium creative production company, a powerhouse across video, photography, media production, content creation, and event planning, operating independently of any single individual. A company where every client gets more than they expected, every time.

Services

What we do

01

Production

Impactful photography and film, start to finish.

How We Work

Our process

01

Discover

We start by listening to the brief, the brand, and the audience to find the real problem worth solving.

03

Produce

On set or on site, we run production with a small, senior crew efficient, calm, and detail-first.

02

Concept

From there we shape a creative treatment the idea, the look, and the plan to bring it to life.

04

Deliver

We edit, finish, and deliver in every format the brief calls for, on time.

Why Us?

01

Transparent Fixed Price

Know exactly what you're paying for, with no hidden fees or unexpected costs

03

Speed

we will finish your project faster than you thought possible, without sacrificing quality

02

All in One

From concept to shooting, sourcing locations, models and permits, we manage it all for you.

04

Results Driven

Our productions are designed not only to look exceptional, but to help your brand engage, grow, and achieve measurable results.
